EXECUTIVE DIRECTOR'S REPORT
May 12, 2021

HOUSING AUTHORITY OF THE COUNTY OF ALAMEDA

EXECUTIVE DIRECTOR'S REPORT

Meeting Date: May 12, 2021

1. **COVID-19 Vaccine Clinics**: We successfully completed two vaccine clinics in March and April for senior residents at Nidus and Dyer, their caregivers, and HACA staff. The clinics went smoothly and we had good participation. We are grateful to the Alameda County Long Term Care Partnership for making our site a priority and Haller's Pharmacy staff for their willingness to accommodate our needs. We continue to partner with the County on ways to increase access to COVID-19 vaccines for our HACA participants.
2. **Emergency Rental Assistance Program (ERAP) / PACH Residents**: Since the beginning of the pandemic there has been intense focus on eviction prevention for those who have been economically impacted by loss of income due to the COVID-19 crisis. The CARES Act, along with other subsequent federal actions, has provided funding to local communities to keep renters from being evicted for non-payment of rent. HACA's Property Management Administrator, Dina Munday, has been working with the local agency administering emergency rental assistance funds to reimburse HACA for back rent owed by a small number (15) of households who are behind in their rent due to COVID-19 related factors. We expect reimbursement in the amount of \$46,567 from ERAP funds.
3. **Federal Emergency Housing Vouchers**: The most recent federal stimulus package, the American Rescue Plan, allocated funding for 70,000 Emergency Housing Vouchers (EHVs) nationwide. The purpose of EHVs is to assist individuals and families who are at risk of experiencing homelessness, who were recently homeless, where rental assistance will prevent the family's homelessness, where there is a high risk of housing instability. Awards to local housing agencies, including HACA, will be made using a funding formula based on local homelessness data and PHA capacity. It is anticipated that awards will be announced on May 10. These special vouchers will have time limits and will not be reissued upon turnover after September 30, 2023. We estimate an award of approximately 100-150 vouchers to HACA.
4. **COVID-19 Agency Operations**: The recent widespread availability of vaccines has dramatically reduced transmission of the virus and resulted in significant modifications to health and safety restrictions, including those for businesses. An internal committee has been formed of HACA management staff to set timelines for bringing back staff currently working from home and evaluating measures to reopen the office to the general public.

AGENDA STATEMENT

Meeting Date: May 12, 2021

Subject: Resolution recognizing Simon Rhee

Exhibits Attached: Resolution No. 06-21

Recommendation: Adopt Resolution No. 06-21

BACKGROUND

In 2001, HACA entered into a Memorandum of Understanding (MOU) with the Alameda County District Attorney's Office (DA's Office) and through this MOU the DA's office provided HACA with a sworn peace officer to assist in the investigations of Section 8 program violations and fraud. Initially the MOU provided for a part-time investigator but has since been amended to allow for the assignment of one (1) full-time investigator. These assignments are not permanent in nature and are typically rotated every few years.

DISCUSSION

In 2017, investigator Simon Rhee was assigned to HACA. Simon worked very closely with HACA staff to understand the complex HUD regulations that govern HACA's housing programs. He has been instrumental in uncovering and investigating allegations of fraud, documenting program violations and providing valuable guidance to staff in matters related to program integrity. Simon received a new assignment in April and staff wishes to recognize him for efforts during his time with HACA. Once approved, staff will have the resolution framed and will present it as a gift to Simon.

AGENDA STATEMENT

Meeting Date: May 12, 2021

Subject: Resolution recognizing Haller's Pharmacy

Exhibits Attached: Resolution No. 07-21

Recommendation: Adopt Resolution No. 07-21

BACKGROUND

In February staff began working with the Alameda County Health Care Services Agency (HCSA) to coordinate a COVID-19 vaccination "pop-up" clinic for HACA's elderly residents in our Nidus and Dyer senior developments in Union City. While these elderly residents met the criteria for one of the first priority groups to receive the COVID-19 vaccine, many did not have access and/or the ability to gain access to the COVID-19 vaccine. Alameda County HCSA connected staff with Haller's Pharmacy (Haller's), a local pharmacy that has been in operation in the city of Fremont since 1957 and coordinated successful COVID-19 clinics in March and April.

DISCUSSION

Haller's provided valuable guidance through each step of the process beginning with registration and clinic set-up all the way through to the dispensing the vaccine. The clinics, held on March 16 (1st dose) and April 13 (2nd dose), were conveniently set-up inside of the community rooms at the Nidus and Dyer sites. The opportunity to receive the vaccine was also extended to HACA staff who were designated as essential workers since the start of the pandemic.

Haller's commitment to serving their community was not only evident in the support that they provided to staff during the coordination of the clinics but also in the care and kindness that they showed during the clinics. Staff has prepared a resolution honoring Haller's Pharmacy for their partnership. Once approved staff will have the resolution framed for the staff at Haller's.

RESOLUTION NO. 07-21

RECOGNIZING HALLER’S PHARMACY FOR THEIR EFFORTS IN ENABLING ACCESSIBILITY TO COVID-19 FOR THE HOUSING AUTHORITY OF THE COUNTY OF ALAMEDA’S ELDERLY POPULATION

WHEREAS, the Housing Authority of the County of Alameda (“HACA”) administers a number of programs that provide rental housing assistance and other related services to very low-income households including families, persons with disabilities, veterans and seniors; and

WHEREAS, HACA began working with, Alameda County Health Care Services Agency (“HCSA”) to establish a COVID-19 vaccination clinic that would provide easy access to HACA’s elderly residents, their caregivers and to HACA employees; and

WHEREAS, Haller’s Pharmacy, a fixture in the City of Fremont since 1957, partnered with HACA to set-up and operate a pop-up COVID-19 vaccination clinic at HACA’s Nidus and Dyer senior housing developments located in the City of Union City; and

WHEREAS, the staff at Haller’s pharmacy provided valuable guidance, expertise to HACA staff and with great care and compassion assisted in dispensing the COVID-19 vaccine to HACA’s vulnerable senior population, their caregivers and the essential workers who serve them.

WHEREAS, HACA would like to recognize Haller’s Pharmacy for their commitment to serve and helping those in need.
