# **JUNETEENTH**

## **FREEDOM DAY**

In June 1865, the enslaved people of Galveston, Texas finally learned that they had been set free from slavery — two years after the former U.S. President Abraham Lincoln had signed the Emancipation Proclamation that declared them free. Juneteenth is a reminder of delayed freedom and the struggles that enslaved Black Americans endured.

**LET JUNETEENTH REMIND US OF OUR HISTORY AND URGE US TO KEEP FIGHTING FOR EQUALITY.**
